Our Firm

Emerson Poynter LLP has a national class action legal practice with offices in Houston, Texas, and Little Rock, Arkansas.

Emerson Poynter, and its team of experienced Attorneys and Paralegals, handles complex commercial litigation with a concentration in those cases that involve violations of federal and state securities or antitrust laws, consumer protection laws, and violations of the Employee Retirement Income Security Act of 1974 ("ERISA"). Our law firm has handled numerous securities and shareholder derivative cases representing investors. Emerson Poynter and its predecessor firms have also been active in many mass tort, class action, and individual cases of note. In the class action litigation area, Emerson Poynter has represented and currently represents plaintiffs in well over 100 class action cases, some of which are being prosecuted with other leading national firms.

Emerson Poynter has served as Co-Lead Counsel in several recent Multidistrict Litigation ("MDL") cases involving product liability and consumer protection issues. In 2004, Emerson Poynter was appointed by the Honorable Stephen P. Friot as Plaintiffs' Co-Lead Counsel in *In re Farmers Insurance Co., Inc. FCRA Litigation*, which was recently settled in the Western District of Oklahoma. This case was litigated on behalf of a certified class of Farmers' current and past customers who were charged more than the lowest premium for insurance based upon information in a consumer report, and received certain "adverse action" notices that willfully failed to conform

to the Fair Credit Reporting Act. The case resolved in late 2011 and provided class members with about \$100 million in cash and other relief. Emerson Poynter LLP also represent numerous long-grain rice farmers in Arkansas and other states, and continues to serve as Co-Chairman of Plaintiffs' Executive Committee in the MDL action *In re Genetically Modified Rice Litigation* (the "*Rice MDL Action*") having been appointed to such position by the Honorable Catherine D. Perry of the Eastern District of Missouri in April 2007. The *Rice MDL Action* sought damages for long-grain rice producers in Arkansas, Missouri, Mississippi, Louisiana, and Texas for defendants' contamination of the United States' rice supply with genetically modified rice as revealed by Bayer and the USDA in August 2006. This MDL action was settled for over \$750 million in cash relief for American rice farmers. Emerson Poynter additionally served as Co-Lead Plaintiffs' Counsel in an MDL case transferred to the Honorable Richard D. Bennett of the District of Maryland captioned *In Re; Tyson Foods, Inc. Chicken Raised Without Antibiotics Consumer Litigation*. The case involved false advertising claims associated with the sale of Tyson Foods' chicken as being raised without antibiotics, when in fact the chicken was raised with antibiotics. The action was settled for \$5 million in cash and other relief for class members who purchased the chicken products at issue.

Emerson Poynter is also active in cases seeking to improve corporate governance in public companies through its involvement in shareholder derivative litigation. Most notably, Emerson Poynter served as Co-Lead Counsel in cases resulting in significant and far-reaching corporate governance and compliance improvements within companies such as AOL/Time Warner, Computer Associates, Nicor, Cryolife, Inc., and Crompton (Chemtura). The Firm has also represented shareholders in claims involving corporate buyouts and other change-of-control transactions. In 2007, Emerson Poynter represented shareholders of Alltel Corporation in an acquisition of the company by an affiliate of Goldman Sachs. The action was settled favorably for the shareholders, and the Honorable Judge Chris Piazza of the Pulaski County Circuit Court, Arkansas, approved the settlement in August of 2008.

In the consumer protection litigation area, Emerson Poynter is a leader in fighting for the rights of consumers. Besides the aforementioned *Tyson RWA Chicken MDL Action*, Emerson Poynter is also a leader in the MDL action captioned *In Re; Bisphenol-A (BPA) Polycarbonate Plastic Products Liability Litigation* pending in the United States District Court for the Western District of Missouri. Emerson Poynter is Co-Lead Counsel in the *Webb et al. v. Carters Inc. et al.* litigation currently pending in the United States District Court for the Central District of California concerning Carter's line of tagless baby clothing; in the *Montanez et al. v. Gerber Childrenswear, Inc., et al.* litigation currently pending in the United States District Court for the Central District of California concerning Gerber's line of tagless baby clothing; in the *Horne et al. v. The Dannon Company Inc.* litigation currently pending in the United States District Court for the Eastern District

of Arkansas concerning Dannon's line of yogurt products; and, in the *Herrington, et al. v. Johnson and Johnson Consumer Companies, Inc. et al.* litigation currently pending in the United States District Court for the Northern District of California concerning numerous baby products.

In the retirement plan/pension area, Emerson Poynter served as Co-Lead Counsel in the Winn-Dixie Stores, Inc. ERISA Litigation that settled in the Middle District of Florida in 2008, and served as Co-Lead Counsel in the ADC Telecommunications ERISA litigation that settled in the District of Minnesota in 2006. Emerson Poynter served on the Enron ERISA Litigation Plaintiffs' Counsel Steering Committee. Scott E. Poynter

Partner

Mr. Scott Poynter is also a founding partner of the Firm. He was born in Fayetteville, Arkansas and was raised in Mountain Home. Mr. Poynter earned his Bachelor of Science Degree in Accounting from Arkansas Tech University. He then earned his Juris Doctorate from the University of Arkansas in 1989. While in law school, Mr. Poynter was active in Phi Alpha Delta legal fraternity and was awarded a leadership scholarship from the school. After completing law school, Mr. Poynter joined the Judge Advocate Department of the United States Air Force and served six years of active duty as a Judge Advocate and litigated more than fifty jury trials. In 1995, then Captain Poynter was selected by the Air Force for its Advanced Trial Advocacy Course, a course reserved for the military's finest litigators. After leaving active duty, Mr. Poynter was a partner at a national class action law firm, which focused its work on the representation of investors. He also continued his military career in the Arkansas Air National Guard and attained the rank of Major.

As Plaintiffs' Co-Lead Counsel in the *Farmers MDL Action*, Mr. Poynter was devoted to recovering statutory damages in a certified class action brought on behalf of Farmers' customers who paid higher insurance premiums based upon credit information without their knowledge due to faulty FCRA notices prepared by Farmers. As a result of his and his co-counsel's effort, they secured a \$100 million settlement on behalf of class members last fall. In another MDL action, *In Re Genetically Modified Rice Litigation*, Mr. Poynter serves as Co-Chair of Plaintiffs' Executive Committee on behalf of long-grain rice farmers who experienced a deflated rice market after America's rice supply was contaminated by Bayer's genetically modified rice in 2006 and markets in Europe and Asia were lost. A \$750 million cash settlement was achieved last year, and Mr. Poynter continues to work on behalf of his clients in securing their cash relief. Mr. Poynter also served as Co-Lead Plaintiffs' Counsel in the *Tyson RWA Chicken MDL Action* before Judge Bennett in the District of Maryland, which provided class members over \$5 million in relief. Additionally, he served as class counsel in multiple consumer actions against Alltel, and thus far, has secured over \$60 million of relief former Alltel subscribers who were members of certain consumer classes.

Mr. Poynter is also an experienced ERISA litigator, having served as Co-Lead Plaintiffs' Counsel for retirement plan participants involving retirement plans at ADC Telecommunications, Inc. and Winn Dixie Stores, Inc. Due to Mr. Poynter's efforts, millions of dollars were recovered

in those retirement plans in settlements approved by judges in the District of Minnesota in 2006 and the Middle District of Florida in 2008. Mr. Poynter was also instrumentally involved in ERISA Actions involving Enron, Reliant Energy, and he also represented numerous Goodyear Tire & Rubber Company employees in an ERISA action brought in Ohio.

As an active participant in the representation of investors whose shares are acquired through leveraged buyouts, mergers, tender offers, and other “change of control” transactions, Mr. Poynter has challenged the fairness of such transactions, the adequacy of disclosures made in connection with the transactions, and the price offered to shareholders for their equity. These types of cases have resulted in the restructuring of scores of corporate transactions and the recovery of hundreds of millions of dollars in additional compensation for shareholders. Most recently, Mr. Poynter was a lead counsel in such litigation and represented Alltel shareholders in a case assigned to Pulaski Circuit Judge Chris Piazza. *In re Alltel Corp. Shareholders Litigation*, Circuit Court of Pulaski County, Arkansas, Case No. 07-6406. This case was settled in late August 2008.

Mr. Poynter also devotes a significant amount of his law practice to representing investors seeking financial recovery for losses suffered as a result of securities fraud. Additionally, Mr. Poynter has represented stockholders in shareholder derivative lawsuits brought against corporate boards, seeking to impose corporate governance reforms aimed at protecting shareholders and eliminating corporate waste and abuse. For example, Mr. Poynter served as one of the counsel in *Perkins v. Sortwell, et al.*, brought on behalf of Aurora Foods, Inc. In this derivative action, certain corporate insiders were forced to relinquish more than 3.6 million of their personal shares to Aurora Foods representing nearly a \$15 million benefit to the Company. Additionally, significant corporate governance safeguards were implemented to significantly reduce the risk of accounting malfeasance. Mr. Poynter’s experience in this action contributed significantly to the settlement achieved in a derivative action brought on behalf of Computer Associates, which led to the resignation of the Company’s CFO and two other senior financial officers. Moreover, Mr. Poynter was one of the lead counsel in derivative litigation in Georgia involving Cryolife that led to the denial of the Cryolife’s Board of Directors’ motion to dismiss based upon the investigation and report of a special litigation committee. Through his effort in building Plaintiffs’ case in discovery, the motion to dismiss was denied very quickly and a favorable settlement for Cryolife and its shareholders followed. Mr. Poynter has also led other derivative actions involving Nicor, AOL Time Warner, and Crompton Corporation.

Mr. Poynter has also been extensively involved in many telecommunications class action cases brought under consumer protection statutes, and appeared on the nationally syndicated

television show *The Morning Show with Mike and Juliet* as an expert on the cell phone industry's early termination fees. Mr. Poynter provided viewers of this show with legal information regarding the response of consumers to such fees, and the Federal Communications Commission's recent hearings on the subject.

Mr. Poynter is admitted to practice before: U.S. Court of Appeals for the Armed Forces; U.S. District Courts for the Western and Eastern Districts of Arkansas; 8th Circuit Court of Appeals; and all Arkansas State Courts.

Mr. Poynter's e-mail address is scott@emersonpoynter.com.

- Reported decision in *Asset Acceptance v. Newby*, 2014 Ark. 280 (2014) – Mr. McGaha successfully argued his clients' claims were not subject to arbitration because Asset Acceptance, LLC, a debt-collector, had no specific evidence Ms. Newby agreed to arbitration, that the arbitration clause at issue was ever communicated to her, nor that she assented to the arbitration clause at issue.

The jury verdict substantially higher than the amount of money the State \$116,000 originally interpled into the court's registry.
- Reported decision in *Buck v. City of Hope*, 2009 Ark. App. 105, 303 S.W.3d 85 (Ark.App. 2009) – Mr. McGaha successfully argued for his client that the trial court erred in finding

it lacked subject matter jurisdiction over claims for nuisance, inverse condemnation, trespass and negligence against the City of Hope, Arkansas.

- *Watz, et al. v. Red Robin International, Inc., et al*, Arkansas state court – Mr. McGaha successfully gained a dismissal of a wrongful death lawsuit against his clients, the Red Robin restaurant chain, for lack of subject matter jurisdiction.
